

PRAYER, OUR SPIRITUAL CONNECTION

Dear Friends,

What a blessing to know that, wherever God has placed us, we are connected by the Holy Spirit through prayer! It is often said, Prayer knows no distance!

As a family of Pentecostals in Europe, anywhere, anytime, we can pray for one another!

As we enter this Summer Season, please consider the following 3 prayer items:

1. PEF LEADERSHIP

PEF Chairman, Pelle Hornmark,
the Executive Team and the whole Presidium.

Let us pray for Divine wisdom, guidance, physical strength and protection as PEF Chairman travels across Europe and ministers in churches, conferences and other situations.

It is a joy to welcome Pastor Machiel Jonkers, as newly added regional representative for Western Europe, with the approval of the PEF Presidium. Machiel serves as General Superintendent of the VPE, the Pentecostal movement in the Netherlands, and as a local pastor.

2. IMPACT THE ALPS summer outreach

Let us pray that God will anoint all the teams serving and sharing God's love in the various areas of the Alps!

May this outreach be used by the Holy Spirit to reach many people in spiritual darkness!

3. EUROPE PRAYER SUNDAY

Plans are under way for the 2019 Europe Prayer Sunday which will take place on Sunday, November 10th.

Please mark the date and inform your pastors and churches so that they can join us as we bring Europe in prayer before the Throne of God's grace.
